

CONFIRMATION CLASS

8th graders preparing for membership in the Church

Eighth graders interested in making their confirmation at Greenfield Hill Church are invited to join in our year-long program of classes, retreats, and adult mentorship!

Classes are held on Monday nights from 6:30 to 7:30, beginning in October and running through April.

The Confirmation Class also leads our Easter Sunrise worship! And the year concludes with the ceremony of Confirmation on the first Sunday in May.

Classes are led by both pastors, Revs. David Rowe and Alida Ward. In addition, each Confirmand is assigned an adult Mentor, who meets with the Confirmand during class time once a month.

To register, contact Alida !

All youth programs meet at the Len Morgan Youth Barn at 1053 Old Academy Road ... and all groups are open to *any* young person in the community!

There are no dues, but SPF families will be asked to help provide our dinners!

For more information, and to be placed on our distribution lists,

Greenfield Hill Church Youth Programs

Fellowship and Carino

YPF

Young Pilgrim Fellowship
4th and 5th grades
Once a month fun!

Our youngest Youth Group, YPF gives 4th and 5th graders a chance to have fun together with peers in a relaxed setting. Meetings include games and fellowship activities, as well as ‘field trips’ for ice skating, bowling — and more!

YPF meets once a month, normally on third Sundays from 2:00 to 3:00.

JPF

Junior Pilgrim Fellowship
6th and 7th grades
Sundays from 4:00 to 5:00

The next step up in our fellowship Groups! JPF meets each week on Sunday evening for games, discussions, and service projects. Middle school’s not easy! — JPF is a place to be in a safe and comfortable space with peers,

SPF

Senior Pilgrim Fellowship
9th-12th grades
Thursdays 6 to 7:30

SPF is known for great discussions, interesting speakers, and a lot of fun, too! Meetings begin with pizza and time just to hang out — then on to opening devotions and the evening’s programs. Discussions center on topics that are relevant to teen life today — everything from mental health to faith to relationships. Speakers have included Cindi Bigelow, Daniel Trust, John Trautwein, and many more!

SPF’s service projects include serving dinner at the Community Supper program in Bridgeport, plus the Appalachia Service Project!

The Appalachia Service Project (ASP)

Since 1978, SPF has participated each summer with the Appalachia Service Project, a home-repair Christian mission designed especially for high school youth.

ASP is a Christian ministry open to everyone, which encourages teens to understand their home repair work as “faith in action.” ASP’s web site is www.asphome.org. The ASP trip is for active members of SPF, willing to commit to regular attendance at SPF, and attend several ASP orientation meetings throughout the year.

The ASP trip takes place over the week of July 4. Registration is in November.
